

Your Cape York Life

We want the Cape York Healthy Country Newsletter to include you—the Cape York community.

There are some very talented story tellers, artists, photographers, plus wonderful land manager projects, across the Cape community—and we have hundreds of readers who'd love to read, or see, your work.

Or maybe your school or community group has something exciting to showcase, or an event coming up that you'd like to promote more widely. They may be innovative online events!

For consideration for upcoming editions, submissions will need to reach me before the end of May, August and October 2020.

Your submission should be natural resource focused—that is topics such as people, water, plants, animals, soil, and minerals.
